

## **Hunkemöller to deliver online orders within two hours**

**In preparation for Christmas, lingerie specialist Hunkemöller is launching two new and unique services to improve customers' shopping experience. Now you can have your Hunkemöller items bought online delivered to your door within two hours!**

### **Home delivery**

Customers living inside the Amsterdam ring road (A10 motorway) or in Antwerp can now have their online orders delivered to their home within two hours. Given how manic Christmas can get, this service will help everyone who needs a last-minute present or an emergency pair of new tights. The shipping costs are €9.95 per delivery.

### **Hands-free shopping**

If you'd rather not lug around your Christmas shopping, then Hunkemöller flagship stores in Amsterdam and Antwerp have the solution for you. You can have any items bought in store sent to an address of your choice inside the Amsterdam ring road or Antwerp for only €9.95 per delivery. You could even have your items delivered to a hotel, ready for you to collect when you're on a city trip. Pure luxury! Orders can be delivered on the same day or up to five days after purchase.

The home delivery and hands-free shopping services are provided by bicycle couriers from Parcify. Both services offered by Hunkemöller are available from 1 December 2017 to 31 December, or possibly longer.
