The Valentine's Collection by Hunkemöller

Hunkemöller celebrates Valentine's Day with a special collection: Fifty Shades Darker by Coco de Mer

Valentine's Day is just around the corner, and Hunkemöller is celebrating the run-up to the event with a spectacular '14 days of love'. And what better dedication to the day of love than the special Fifty Shades Darker Collection by Coco de Mer? The Fifty Shades Darker Collection is themed on E.L. James's second book *Fifty Shades Darker*, the sequel to her bestseller *Fifty Shades of Grey*. Having been inspired by the lingerie in the Coco de Mer range, *Fifty Shades of Grey* author E.L. James was set on joining forces with Coco de Mer as a way of paying homage to her new book. The collection brings together five lines of figure-hugging nightwear – Red Room, Masquerade, Steele, Anastasia, and Goddess. All lines have a unique allure. Escala features racy, figure-accentuating designs in a monochrome palette. Red Room is inspired by the Bondage Room from the book. Masquerade is an elegant combination of grey, classic lace with deep, shimmering satin. Steele, the minimalistic line, combines mesh and high-waisted elements with suspender belts. Anastasia is a refined set, with red and pink satin and a chic lace finish. Goddess brings together black and jade-green lace finishes, creating a superb contrast between lace and fabric – seduction guaranteed.

Prices vary from €14.99 to €59.99. The collection is available in various sizes, from XS to XL, and in cup sizes A to E.
