

Treat your mum with these great gifts!

Treat your mum with the best pieces from Hunkemöller's collection. They're bound to be a hit! We've all been there: you look at the calendar and realize – perhaps on the day itself – that Mother's Day is very soon. But don't worry, this year there'll be no last-minute stress. Hunkemöller has tips for some original Mother's Day gifts.

Treat your mum with a gorgeous set of lingerie, a stunning bikini from the Doutzen Stories' Swimwear Collection, or an elegant dressing gown.

Hunkemöller has a huge collection

(https://www.hunkemoller.nl/nl_nl/collecties/moederdag-cadeau.html), and I'm fairly sure – make that certain – that it has a piece that's perfect for your mum. Make this Mother's Day a special one!

If you want to borrow pieces for a shoot, or if you would like visual material, please e-mail Céline at celine@mooipr.nl.
