Exclusive swimwear collection by Anna Nooshin

Anna Nooshin and Hunkemöller co-launch seductive swimwear collection

Following the success of Anna Nooshin's first lingerie collection for Hunkemöller, the two have teamed up once more to design a magnificent swimwear collection. As a top blogger, vlogger, TV presenter, author, and globetrotter, Anna Nooshin is a cosmopolitan woman by nature and never turns down the chance to go on an exotic adventure. So it's no wonder that Anna joined forces with Hunkemöller to design her first special swimwear collection.

The swimwear collection reflects Anna Nooshin's intrepid spirit and adventurous travels. It is inspired by courageous Western influences that hark back to Anna's favourite adventures. While floral embroidery plays a prominent role in the design of the collection's rodeo shirts, the trimmings in the bras are inspired by summer festivals and bohemian road trips. Though she lives for travel, Anna Nooshin is a true fashion icon. Her collection features haute couture designs with high-waisted and lace-up details and is based on the key colour of Spring/Summer 2017: fiery burgundy. The high-cut bikini complete with snappy tagline will start to get you excited about summer 2017!

The Anna Nooshin Swimwear Collection is available for purchase online from 10 February and in stores from 15 February. Prices vary from €14.99 to €49.99. The collection is available in various sizes, from XS to XL, and in cup sizes A to F.
